

# Early Years Safety and Funding Public Rally

**Wednesday 3rd February**

Early Years continues to be forgotten by this government in their response to the Covid-19 crisis. Concerns around safety and funding are ignored, leaving early years staff, children and local communities at risk. Cuts in funding could see many settings forced to close for good. Join us on Wednesday 3rd February for a public rally to keep early years safe and funded. Find out how you can join the campaign to #MakeEarlyYearsSafe
