

"Bingo Lotto!"

A fun , simple game for all the family to help with number recognition. Make lots of number grids, varying the numbers on each, a set of numbers , cut up for the caller, & buttons, counters or again cut up some squares to use as the numbers are called!

Taking turns, The caller asks " who has got this number....& what is it"the child then names & finds it on their grid! When they have a line they shout "Bingo!"
