

Early Years Pupil Premium 2024-2025

Spend and Rationale

All children at The Fields Nursery School receive personalised provision and support, by having access to experienced and highly trained staff who create an early year's curriculum, which is constantly under review and designed to offer the maximum flexibility to meet the needs of the children. Staff meet regularly to share, review and plan for children's progress.

Once we have notification that a child is eligible for Early Years Pupil Premium we will arrange to meet with parents to discuss the needs of their child. We attempt to be as creative and flexible in our approach to supporting children's learning. Individualising EYPP spending is particularly important due to the low numbers of eligible children.

For the Autumn and Spring Term EYPP is £0.68 per hour; for the Summer Term EYPP is £1.00 per hour

Academic Year	Number of children eligible for EYPP (summer term)	Amount received per term			Total amount received per year
		Autumn	Spring	Summer	
2021 - 2022	18	£1113	£1229	£2106	£4448
2022 - 2023	21	£1890	£2079	£2457	£6426
2023 - 2024	26	£1148.30	£1158.30	£3325.20	£5631.80
2024 - 2025	29	£3529.20	£2988.60	£8045.00	£14562.80

Intervention Area	Cost
Speech and Language Intervention	£3025.00
Bilingual support - EAL story intervention (staff cost + resources)	£2115.20 (£1965.20 + £150)
Additional support for an EYPP/SEND child (SENIF doesn't cover full cost)	£1695.80
Additional lunches	£2508.00
Extended sessions	£5814.00

The EYFS no longer requires formal assessment to take place. Using the online learning journals and the assessments from the interventions we provide, they show the children who need speech and language support make progress in all areas of learning. Either by the end of the nursery year children have met or are just below expected development, having come in as not met or are well below expected development.

Bilingual children are assessed in the Autumn Term and the Summer Term of the nursery year. Children are assessed according to their stage of EAL. Those who are between New to English and developing bilingual, have an EAL intervention – which includes pre-read of core storybooks and additional language games. The assessment shows the development between the stages over the year for most of the children and for those without any additional needs identified.
